

## **iDevAffiliate Black Tie Details**

Our goal with this service offering is to completely set everything up for so that when it's handed over you can immediately launch your affiliate program. We do all the work from start to finish!

Our professional services team will complete an installation of iDevAffiliate. Once completed, we will setup SEO links, complete your cart integration (up to 3 carts) and configure everything in the system according to your requirements.

## **What We'll Need**

- ✓ FTP access to the location you want iDevAffiliate installed.
- ✓ Web hosting control panel access so we can create a MySQL database.
- ✓ Shopping cart system(s) that needs integrated as well as any access to files and/or cart admin centers.
- ✓ Email settings to the best of your knowledge or a document from your hosting provider with the settings.

## **30 Minute Telephone Consultation**

During your 30 minute phone call with one of our affiliate management experts you'll have the opportunity to discuss setup options which will allow us to tweak your settings and maximize the value that can be obtained by running an affiliate program. After purchase we will contact you via email with 3 available times to call. We're located in the USA (Pacific Time) and available telephone times will be Tuesday, Wednesday or Thursday between the hours of 8am and 5pm. You will be provided with our toll-free number and extension to your personal affiliate management consultant.

## **Getting Started**

1. After payment, complete the installation request form.

<http://www.idevdirect.com/install.php>

In the notes section of the form include the words "Black Tie". Our installation services team will contact you with additional information needed and your affiliate management consultant will contact you to setup your telephone consultation.

Thank you for considering the Black Tie Service option. We look forward to working with you.

Sincerely,

Your iDevAffiliate Staff
